

# Rack Control Uno

## With Blue Pill Inside

Rack Control Uno has 18 awesome four-way buttons and four backlit encoders - all with RGB coloring and crisp, graphical OLED displays for function legends. Fits perfectly in your rack. Sits perfectly on your table! Simply amazing.

Mount in rack or use as a desk controller

Programmable four-way buttons with OLED legends

RGB multilevel metering leds

High-quality encoders with crisp graphical OLED legends

SKAARHOJ Universal Controllers supports more than 120 different devices, and counting! Check out our website's "Device Core" section, to see what can be controlled at <https://www.skaarhoj.com/support/device-cores>. The flexible User Configuration makes it possible to assign and add the functionality you need from the controller. All controllers are IP-based, and can have Remote Control with PoE. All SKAARHOJ products are designed and built in Denmark.
